

Phoebe Inskip

INTERIOR DESIGNER

ABOUT ME

A highly motivated and detail-oriented Interior Designer with a strong focus on creating dynamic, functional spaces that enhance user experience. I have experience working on large-scale projects, including co-working spaces, and excel at managing multiple projects while contributing to key design initiatives.

As the primary designer responsible for all technical drawings and SketchUp work, I collaborated closely with my team to bring projects to completion. With a background in Interior Architecture and Venue Design, I understand the impact interiors have on shaping environments.

While my expertise lies in office interiors and communal spaces, I am eager to expand into hospitality, commercial, and residential design. Passionate about blending aesthetics with practicality, I take a strategic approach to spatial planning, continuously exploring innovative design concepts to create inspiring, functional spaces.

EMPLOYMENT

Interior designer: COLONY COWORK LTD. (2024 - Present)

- **Sole designer** responsible for coworking and office interiors, optimising space efficiency to create functional, inspiring environments.
- **Managed projects** from concept through to delivery, by producing technical and visual packages to clearly communicate design intent.
- **Collaborated directly** with clients, contractors, and suppliers, ensuring creative solutions were buildable, high-quality, and budget-compliant.
- **Oversaw FF&E selection** and procurement, balancing design ambition with practical requirements.
- Built and maintained strong client relationships through clear communication and consistent results.
- Utilised AutoCAD, SketchUp, Enscape, Lumion, and Adobe Creative Suite to develop and refine design solutions.

BAKERY ASSISTANT: BROWNIE POINTS (2022-2023)

WAITRESS: BRISCOLA (2020-2021)

EDUCATION

THE UNIVERSITY OF DERBY: (2021)

Degree (2024): BA Interior Architecture and Venue design [First Class Honours]

THE FALLIBROOME ACADEMY (2014-2020)

A Levels (2020): Art (B) Geography (B) Maths (C)

GCSEs (2019): 11 GCSE'S (A-C) grade including English and Maths
